

OLYMPUS®

Your Vision, Our Future

GETTING THE MOST OUT OF VALVE THERAPY

International Faculty:

Professor Felix Herth

Head of Department of Internal Medicine, Pneumology and Critical Care
Medicine at Thoraxklinik, University of Heidelberg, Germany

Course Convenor: A/Prof Alvin Ing, Macquarie University Hospital

Date: Tuesday 28th April 2015

Time: 10:00am - 4:00pm

Venue: Macquarie University Hospital
3 Technology Place, Macquarie University NSW 2109
Ground Level Conference Room

Professor Felix Herth, who is conducting this meeting in close collaboration with Australian Interventional Pulmonologists, will focus on clinical evidence for valve therapy, best practices for maximising responder rates, including patient selection, valve placement and follow up, and, of course, Heidelberg experience in this ELVR technique.
